Education

National University of Computer and Emerging Sciences, Lahore Campus
BS (Computer Science)   **2020-2024**
Punjab Group of Colleges
F.Sc - Pre Engineering   **2018-2020**

Experience

Gianteyes Technologies
Intern   **Summer 2023**
Developed a project (OverDrive Virals) in MERN stack and Python (Selenium). Successfully contributed to building full-stack web application.

Projects/Portfolio

- **AdvisioScreens (Reactjs + PostgreSQL + Django)**
  AdvisioScreens is a dynamic web application for digital advertisement combining Reactjs, PostgreSQL, and Django. It's designed for real-time data visualization and management, offering a robust and scalable solution for complex data handling and interactive user interfaces.

- **GOfit - Personal Fitness Web Application (MERN Stack)**
  Developed a comprehensive fitness application designed to help users track and achieve their health and fitness goals. Utilized the MERN stack to ensure a seamless, interactive user experience

- **SHARE A SPARE - Donation Platform (MERN Stack, JazzCash Integration)**
  Developed an innovative donation platform designed to facilitate the secure and efficient distribution of resources to those in need. Utilized the MERN stack for comprehensive development from front-end user interfaces to back-end server management.

- **Restaurant Management System (MySQL, HTML, CSS, JavaScript)**
  A comprehensive Restaurant Management System built using MySQL, HTML, CSS, and JavaScript. This system streamlines restaurant operations, from order management to inventory control, using a web-based interface for ease of use and accessibility.

Activities, Honors & Awards

Certification of Participation - Softec   **Fall 2023**
Bug Catcher - Nascon   **Fall 2023**
Certification – Intro to PostMan   **10Pearls University**

Skills & Tools

Programming Skills & Tools
C++, Python, Selenium, Beautifulsoup, Javascript, ReactJs, NodeJs, Django, Flask, Fastapi, MongoDB, MySql, Postgres, HTML, CSS, Redux, Tailwind, Visual Studio, Jupyter Notebook, Git, Jira, Slack

Interests & Hobbies

Swimming, Table Tennis, Sketching and Video gaming
